INTRODUCTION. The United States is - by size of electorate - the second largest democracy on the globe (India is the largest and Indonesia comes third) and the most powerful nation on earth, politically, economically and militarily, but its political system is in many important respects unlike any other in the world. Immigration to North America began with Spanish settlers in the 16th century, and French and English settlers in the 17th century. In the century before the American revolution, there was a major wave of free and indentured labor from England and other parts of Europe as well as large scale importation of slaves from Africa and the Caribbean. 230 Comments.
