Language and Politics in the United States and Canada. New York: Routledge, <https://doi.org/10.4324/9781410603890> New York: Routledge, <https://doi.org/10.4324/9781410603890> This volume critically analyzes and explains the goals, processes, and effects of language policies in the United States and Canada from historical and contemporary perspectives. Language and Politics in the United States and Canada by Thomas K. Ricento, 9780805828382, available at Book Depository with free delivery worldwide. The aim of this book is to explore parallel and divergent developments in language policy and language rights in the United States and Canada, especially in the past four decades, as a basis for reflection on what can be learned from one country's experience by the other. Effects of language policies and practices on majority and minority individuals and groups are evaluated. Differences in national and regional language situations in the United States and Canada are traced to historical ... The contemporary tension between the role and influence of French and English in Canada and how this relates to the United States has been portrayed as the latest stage in a centuries-long struggle dating back to French-English competition for political and linguistic primacy in Europe. 1 The focus here is on the contemporary context of North American language politics, but the historical legacy of global language politics in the area is relevant., Language And Politics In The United States And Canada.
