

Download New Directions In Social Education Research

This new podcast series provides a rich audio experience that explores the story of New York State and the unique tales of New Yorkers. Welcome to the Bryn Mawr College Graduate School of Social Work and Social Research (GSSWSR), located in the Greater Philadelphia area! Like Bryn Mawr College as a whole, the GSSWSR is distinguished by its dedication to fine teaching, attentiveness to individual students, and high academic standards within a liberal arts tradition. The past 15 years have witnessed a remarkable increase in both the scale and scope of social and behavioral data available to researchers. Over the same period, and driven by the same explosion in data, the study of social phenomena has increasingly become the province of computer scientists, physicists, and other “hard” scientists. The Australia and New Zealand School of Government (ANZSOG) is a global leader in education and government-focused research relevant to the public sector., New Directions In Social Education Research.
