

Download Understanding The Whole Student

Your Student Loan will probably be the biggest amount of money you've borrowed in your life so far. But do you totally 'get' the repayment terms you're signing up to?The ultimate goal of teaching is to do just that – teach, not stand up in the front of the room and talk. But sometimes it's easier to talk than to teach, as we all know, especially when we need to cover a lot of material in a short amount of time. We hope students will understand, if not nowFor international students, transition to a UK university involves substantial adaptation. The culture shock of moving to the UK and finding themselves within a new environment can create psychological and physical disorientation.About the Authors. JAY MCTIGHE brings a wealth of experience developed during a rich and varied career in education. He served as director of the Maryland Assessment Consortium, a state collaboration of school districts working together to develop and share formative performance assessments., Understanding The Whole Student.
