

# Download City Maps Babruysk Belarus

History. Babruysk is one of the oldest cities in Belarus. It was first mentioned in writing in the middle of the 14th century. Investigations by archaeologists revealed that in the 5th and 6th centuries there existed Slavic settlements up the river Biarezina from where Babruysk is currently located; findings of stone tools and weapons suggest ...Minsk is the largest city in Belarus, and is also its capital. The population of Minsk is 1.8 million people. Minsk was founded in 1067 A.D.. Currently Minsk, and Belarus in general, is leading ex-USSR states by way of urbanization. 74% of Belarus residents live in urban areas. This is a list of the largest cities and towns in Belarus, including cities with population of over 5000, as assembled by the National Statistical Committee of the Republic of Belarus. Neither Belarusian nor Russian have equivalent words to English "city" and "town". Note: After 1572, no Lithuanian held the title of Grand Prince. Dominance by Poland led to increased Polonization of the country and in 1698 Polish was declared the official state language of the entire commonwealth replacing Lithuanian and Belarusian in Lithuania., City Maps Babruysk Belarus.
