Serve this Baked Asparagus recipe as a simple side dish. All it takes is olive oil, salt, pepper and the heat of your oven. With this recipe, soft and pillowy homemade naan is within your reach — and you don't need a tandoor oven! Naan is a soft and pillowy Indian-style flatbread traditionally made in a tandoor, or cylindrical clay oven. For the Cake. Preheat the oven to 350°F and set an oven rack in the middle position. Grease a 9-x-13-inch baking dish with butter or nonstick cooking spray. Make dinner with barely any effort with this easy crockpot spaghetti casserole. With plenty of bold Italian flavors, the pasta cooks in the slow cooker with the meat sauce, making it tender and incredibly tasty! This Italian comfort food dinner comes together with minimal effort on your part, and is, Cooking Thin Chef Kathleen Recipes.
