Western Europe is the region comprising the western part of Europe. Though the term Western Europe is commonly used, there is no commonly agreed-upon definition of the countries that it encompasses. A map of the Western Han Dynasty in 2 AD: 1) the territory shaded in dark blue represents the principalities and centrally-administered commanderies of the Han Empire; 2) the light blue area shows the extent of the Tarim Basin protectorate of the Western Regions. The region may be divided into several broad physiographic regions. The northern portion of western Africa is composed of a broad band of semiarid terrain, called the western Sudan, stretching from the Atlantic Ocean on the west to the area of Lake Chad on the east, a distance of about 2,500 miles (4,000 km). The AF's are always an opportunity for the gathering of those with business interests in Africa to meet on the grounds of learning and promoting quality market research on the continent., Eastern And Western Ideas For African Growth.
