LGBT themes in comics are a relatively new concept, as lesbian, gay, bisexual, and transgender themes and characters were historically omitted intentionally from the content of comic books and their comic strip predecessors, due to either censorship or the perception that comics were for children. In the Twentieth century, the popularity of ...Belgium was the first country to develop a proper industry in continental Europe and was the second in the world (after the United Kingdom). In Germany, France, Austria, Bohemia and Scandinavian countries a real modern industrialisation started only in 1840s., Gema Perez-sanchez, Queer Transitions In Contemporary Spanish Culture.
