There is a constant need for us to question our own beliefs, and the beliefs of those around us. It creates a healthy atmosphere of skepticism and intelligence, and prevents people from coming to unreasonable conclusions. Pantheism, determinism, neutral monism, psychophysical parallelism, intellectual and religious freedom, separation of church and state, criticism of Mosaic authorship of some books of the Hebrew Bible, political society as derived from power (not contract), affect, natura naturans/natura naturata Evolution says human existence is insignificant, meaningless and illusory, theistic evolution fails, biblical creation is foundation for hope of glory. David visits the tabernacle at Nob in his flight and receives help from Ahimelech the high priest. But Ahimelech and the priests are slain by the paranoid King Saul; only Abiathar flees to David with 400 might men. David and his men hide in the cave of Adullam and in the desert of Ziph., God Who Questioning His Existence Kindle Edition.
