Sharing the BEST of North Point Ministries. We empower church leaders with the leverage they need to create irresistible ministry experiences. We focus on leadership, church strategy, small group, and evangelism resources. Our group resources have been designed and tested specifically with unchurched in mind. A well-planned, well-designed, well-constructed, properly maintained and managed facility is an important element of humane animal care and use as it facilitates efficient, economical, and safe operation (see Appendix A, Design and Construction of Animal Facilities). With over 500,000 users downloading 3 million documents per month, the WBDG is the only web-based portal providing government and industry practitioners with one-stop access to current information on a wide range of building-related guidance, criteria and technology from a 'whole buildings' perspective. This guide provides basic information about the Federal-Aid programs, projects, and other program characteristics. Much of the information provided in this guide was included in the FHWA's 1999 edition of the same publication., Guardrails Study Guide, Updated Edition.
