

Download Investing In People And Communities

Novel Communities invests in people, property, and community. We own and operate manufactured home, recreational vehicle, lodging and hospitality properties. Altria's tobacco companies invest in positive youth development as a way to help address a core business concern: underage tobacco use. There is no single reason why young people engage in risky behaviors, such as experimenting with tobacco products, alcohol or drugs. More than 59 million people live in rural America, and nearly 9 million, or 18 percent, are living in poverty. This compares with 12 percent poor in the suburbs and 20 percent in central cities. Investing in Canada grants to support sustainable and inclusive communities while driving economic growth., Investing In People And Communities.
