It was an easy read, very fast-paced but with enough background and character development to make you care. I would say it's a fun mash up of "Age of Adeline" (the characters age slowly) and Percy Jackson (lots of Greek mythology references). Elyse is a likable lead character and the backdrop of San Francisco/Northern California added to the magic. It leaves a cliffhanger so be ready for the rest of the series. I would recommend thOppression (Children of the Gods, #1) PDF eBook by Jessica Therrien (2015) Review ePub. ISBN: 9780996378802. Elyse knows what it means to keep a secret. She's been keeping secrets her whole life. Tw, Oppression Children Of The Gods Book 1.
