Introduction--The .222 Remington I am a competition shooter, a cartridge collector, and an amateur historian, not necessarily in that order. I thought that this Forum would be a good place to share a little of my interests with you by describing a few of the competition cartridges from my collection and giving a little history of how they came...The 20 CAL REVOLUTION Before the first 20-Caliber factory cartridge (the .204 Ruger) appeared, Twenties were not well-known to most shooters. Only some very dedicated varminters and die-hard Wildcatters played around with the 20 Caliber variants.The 20 CAL REVOLUTION Before the first 20-Caliber factory cartridge (the .204 Ruger) appeared, "Twenties" were not well-known to most shooters.In the development of firearms, an important limiting factor was the time it took to reload the weapon after it was fired. While the user was reloading, the weapon was useless, and an adversary might be able to take advantage of the situation and kill or wound the user., Shooters Bible Guide To Cartridges.
