Technomancer is you might get if you combined Jason Bourne and the TV show X-Files. The start of the plot is very Bourne Identity-ish: the main character, who goes by the rather romantic name of Quentin Draith, wakes up in a hospital with amnesia and a rather disturbing familiarity with the mechanics of violence. A new kind of alien invasion... When Quentin Draith wakes up in a private sanatorium, he has no memory of who he is or how he received the injuries riddling his body.
