

# Download Touching 911. Teaching 911 (local)

Brother 2 Brother is a non profit 501(c)(3) organization comprised of men who are dedicated to reaching, touching and changing the lives of families in need. Megan Schuster grew up with September 11. Like others of her generation, particularly kids from the suburbs that surround New York City, she learned too soon about fear and loss. Coast2Coast is a top training partner of Canadian Red Cross and specializes in providing high-quality First Aid, CPR/AED, and Aquatic courses in Ontario, suited for your training needs. We are WSIB approved and our programs are recognized across Canada. Sometimes incorrectly called blood poisoning, sepsis is the body's often deadly response to infection. Sepsis and septic shock can result from an infection anywhere in the body, such as pneumonia, influenza, or urinary tract infections., Touching 911. Teaching 911 (local).
