WhatsApp Messenger: More than 1 billion people in over 180 countries use WhatsApp to stay in touch with friends and family, anytime and anywhere. WhatsApp is free and offers simple, secure, reliable messaging and calling, available on phones all over the world. It looks like Facebook services across the world are currently affected by an outage. This includes Facebook, Instagram, and WhatsApp. Combined, these services are used by over a billion people on a daily basis. Quickly send and receive WhatsApp messages right from your computer.*
UPDATE: By 16:03, Facebook, Whatsapp and Instagram were seemingly working as usual. Facebook, which owns both Whatsapp and Instagram, had not yet responded to a request for comment. Facebook, Whatsapp and Instagram are reportedly down worldwide as users took to Twitter to express their frustration, Whatsapp Update.
